Overview

MYND Yaiza has been designed for a new travellers generation, where the good, local and fresh life experience becomes more than a hotel, it's a philosophy and a platform for a change, for inspiration and Happy Holidays, surrounded by local landscapes and culture.

Healthy is another pillar of our mission, therefore we have elaborate a full range of different dishes that combines all specialities with one common ingredient, the local products. For all, for Vegans, for Vegetarian, for any kind of allergy, but with the aim to create great moments to be combined with the flexibility that you desire to have during your holidays

We do not have a buffet so if you choose this options, you will get a resort credit of 27€ for adults and €14 for children per day to consume it at the bars and restaurants of the hotel during your stay.
